brought to you by

RT VIP Imaging Expo—Asia 2026, organized by Comexposium Recycling Times (C-RT) and with the support of its regional partners, is an upgraded VIP opportunity for importers and big buyers to meet suppliers of printers, copiers and supplies. While using the traditional exhibition style as a footprint for face-to-face meetings, this professional, intense, one-day VIP event (in each city) focuses on the needs of regional markets and suits busy entrepreneurs and business people—both the suppliers as well as the buyers.

Attendees must be invited to attend and can apply for a free ticket by contacting the organizers. Professional buyers who can import products can obtain tickets or invitation letters to this intense, product-revealing event.
