

RTMworld VIP Imaging Expo --MEA 2024

brought to you by

RTMworld VIP Imaging Expo--MEA 2024, organized by RTMworld and with the support of its regional partners, is an upgraded VIP opportunity for importers and big buyers to meet suppliers of printers, copiers and supplies. While using the traditional exhibition style as a footprint for face-to-face meetings, this professional, intense, one-day VIP event (in each city) focuses on the needs of regional markets and suits busy entrepreneurs and business people—both the suppliers as well as the buyers.

Attendees must be invited to attend and can apply for a free ticket on the form above or by contacting the organizers (see below). Professional buyers who can import products can obtain tickets or invitation letters to this intense, product-revealing event.

General Plastic Industrial Co., Ltd

GPI's been in the precise injection molding business for over 40 years, evolving as a specialist in compatible toner cartridges and precision gear manufacturing. As an ISO-certified manufacturer, we pursue perfection in product R&D. OEM patents are respected; we design cartridges around them. OEM equivalent quality is the target; we conduct multiple tests before the new product launch. Self-owned molds are quality and privacy commitments for customers.
