brought to you by

RTMworld VIP Imaging Expo--Americas 2024, organized by RTMworld and with the support of Guía del Reciclador, is an upgraded VIP opportunity for importers and big buyers to meet suppliers of printers, copiers and supplies. While using the traditional exhibition style as a footprint for face-to-face meetings, this professional, intense, one-day VIP event (in each city) focuses on the needs of regional markets and suits busy entrepreneurs and business people—both the suppliers as well as the buyers.

Attendees must be invited to attend and can apply for a free ticket on the form above or by contacting the organizers (see below). Professional buyers who can import products can obtain tickets or invitation letters to this intense, product-revealing event.
