WELCOME | 欢迎致辞

Dear Distinguished Guests,

Welcome to **RemaxWorld Expo 2026**!

Twenty years is more than a milestone for an exhibition—it is a reflection of the journey of an entire industry. Over the past two decades, we have witnessed the office equipment and printing consumables industry evolve from product-driven competition toward technological innovation. We have also seen the global industry adapt, connect, and reinvent itself in the face of constant change.

Today, as geopolitical shifts and the rapid development of AI reshape the industry, we gather once again in Zhuhai. Facing a new market landscape, a new wave of technology, and new questions about growth, RemaxWorld Expo 2026 is exciting to announce the debut of the **ReWork Expo 2026**. From office equipment to office spaces, from smart hardware to AI applications, we are seeking to answer a fundamental question: What will the workplace of the future look like?

Around this theme, we further expand the boundaries of the industry through major professional conference from three dimensions: AI applications, corporate administration, and workspace. We look forward to seeing here not merely a collection of new products and technologies, but the connections taking shape between technology and space, people and AI, and enterprises and the future. AI should not remain a concept. It should be able to be transformed into measurable efficiency and tangible value.

From a single device or cartridge, to AI-incorporated work environments, the office industry is undergoing a profound transformation in value creation. Thank you for being part of this 20-year journey of RemaxWorld Expo with us. We look forward to seeing you again next year, as we shape the next twenty years of the office industry together.

尊敬的各位来宾：

欢迎参加**第二十届 RemaxWorld 珠海国际办公设备及耗材展览会**！

二十年，是一场展会的坚持，更是一条产业发展的时代轨迹。二十年来，我们见证了办公设备与打印耗材行业从产品竞争走向技术创新，从渠道拓展走向生态重构，也见证了全球产业链在变化与挑战中不断调整、融合与进化。

今天，当地缘政治以及人工智能技术加速发展，成为行业必须面对的新变量，我们再次相聚珠海。面对新的市场格局、新的技术浪潮和新的增长命题，今年特别推出的**2026 ReWork湾区国际AI办公应用及办公空间展览会**，将成为本届展会最重要的创新亮点之一。从“办公设备”到“办公空间”，从“智能硬件”到“AI应用”，我们希望重新回答一个正在发生根本变化的问题：未来的办公究竟是什么？

围绕这一主题，本届展会特别推出三场大会，从行政、AI办公、办公空间三个维度，共同构建面向未来办公的交流与实践平台。我们期待在这里看到的，不只是一个个新产品，更是技术与空间、人与AI、企业与未来之间正在发生的连接，让AI不止停留在概念与想象，而是转化为可以感知、可以衡量、可以落地的效率与价值。

从一台设备、一份耗材，再到人与AI共同工作的全新场景，办公产业正在经历一次深刻的价值重构。感谢各位一路同行，共同见证珠海展走过二十年。期待明年10月，与全球行业同仁再聚珠海，共塑办公产业的下一个二十年！
